We aim to offer the possibility to the maximum of kids to practice football in this difficult time of Covid19.

To ensure less contact and the best sanitary conditions for everyone, but most and foremost to respect the government measures of maximum 20 people in the premises we will ask:

- **1st group (3 to 5y.o)** to have **only one parents to stay in the premises** as kids of this group are very young and need a parent on their side to feel comfortable.
Please do not bring other siblings or family members if not participating in the training.
- **2nd, 3rd & 4th group** we ask the parents to **not stay in the premises** to have the lowest amount of people in the premises including educators and kids.

Please drop at the door your kid only 5mn before the start of training and pick up 5mn before the end of the training

Schedules of training

- 9:30 – 10:15 (please note doors will open only at 9:25, not before please)
- 10:30 – 11:15 (please do not enter before 10:25 until the previous group is out of the premises)
- 11:30 – 12:15 (please do not enter before 11:25 until the previous group is out of the premises)
- 12:30 - 13:15

By doing this we want to minimise the contact between groups of people and be sure that our training will be given in the best conditions regarding the sanitary situation

Organisation of the trainings

- We will **split all the kids** for a training into **smaller groups**, which will consist to divide as much as we can the kids with the amount of animators we have available on the spot.
- Also we are aiming (**In case we are more than 20 in the premises**) to use the playground in front of the academy to make the practice. It means we will split in two groups (one group in the academy and one group on the playground)
- Wearing a mask **will not be mandatory** outdoor
- Parents not in premises
