

LEAGUE5 KIDS ACADEMY

Re-opening and
sanitary information

Re-opening date: 24May 2020

Most sports activities in CZ could re-open from 11 May 2020.

We prefer to be on the safer side and see how the re-openings would infect the COVID-19 infections rate.

We will re-open on 24 May 2020.

New Timing and Schedules

To ensure less contact and the best sanitary conditions for everyone, we will offer a training of 45min with the following schedules:

- 9:30 – 10:15 (please note doors will open only at 9:30, not before)
- 10:30 – 11:15 (please do not enter before 10:25 until the previous group is out of the premises)
- 11:30 – 12:15 (please do not enter before 11:25 until the previous group is out of the premises)
- 12:30 - 13:15

Organisation of the trainings

- We will follow the official recommendations and use our experience of work with kids to ensure the safest environment for all kids and parents;
- The trainings will take place **outdoors**;
- We will **split all the kids** for a training into **smaller groups**, which will consist of max. 12 kids + 1 or 2 educators;
- According to the official guidelines, wearing a **mask for the kids** while they are playing will **not** be **mandatory**;
- Wearing a mask for all **educators and parents will be mandatory** in the premises at all times at least for the training on Sunday 24th May 2020;
- Parents should respect the rules of social distancing (no more than 10 adults in close proximity).

Health Info

- If you or your kid(s) feel sick, please postpone your return to the Academy for a better day;
- All League5 Kids Academy staff members have been in good health for the past 2 months. If any of our staff members feel unwell, they will not join the Academy.
